

## West Virginia Academy Board Policy: Parent Notification of Teacher Termination

### Policy Statement:

West Virginia Academy is committed to maintaining a safe and conducive learning environment for our students. In the event of a teacher termination, the school administration will promptly inform parents or guardians within 24 hours of implementation of the decision, while respecting the privacy and legal rights of all parties involved. The school will strive to be transparent with parents or guardians while respecting the constraints of privacy and legal obligations.

An example of the notice to parents is attached as Appendix A.
